

**Service of Prayer and Lament  
Following the Invasion of Iraq**

**Opening Words/Scripture/Call to Prayer**  
**Gathering Song - O Healing River #372†**

**Opening Prayer/Invocation**

*Worship leader acknowledges God's presence, expresses what we are feeling as we gather*

*Dona Nobis Pacem #346*

**Isaiah 31:1-3** to lead into prayer of confession

**Prayer of Confession** \* (unison or read by worship leader)

O Holy One, God of all nations, tongues, and peoples, we come into your presence confessing that we, as a people and nation, have tried to make our world more secure by relying upon political alliances, military strategy and technology, and by trusting in our own stockpiles of weapons of mass destruction, fleets of ships, stealth bombers, tanks, rifles and recruits. We confess that we, as a nation, have placed our trust in our military might to solve the problems among the nations and have not looked to you and your transforming power to heal and reconcile. Have mercy upon us, even now as the bombs fall and the tanks roll.

*Time of silence for people to make their own silent prayers of confession*

Lead us in the ways that nurture reconciliation. Teach us to follow in the costly way of peace exemplified in Jesus Christ, who taught us to pray...

**Lord's Prayer**

*Kyrie Eleison #144*

**Prayers of Lament**

Guided prayer - worship leader invites people to speak words or phrases

O God, our shelter and rock, we bring to you our laments as the destructive forces of war are unleashed. We bring the cries of our hearts. Our fears. Our pain.

*Silence for people to speak words or phrases*

*O Lord, Hear My Prayer #348*

**Prayers of Intercession and Hope**

Guided prayer - worship leader invites people to speak words or phrases

O God, our hope and salvation, we bring to you our prayers of intercession and hope. We pray for all those whose lives are impacted by this war—the people of Iraq, world leaders, the members of the military and their families, the poor in this country.

*Silence for people to speak words or phrases*

*O Lord, Hear My Prayer #348*

**Psalm 46** (unison reading) followed by silence for reflection

### **Charge \***

In the presence of God and this gathered community, let us commit ourselves, with God's grace, to continue to offer a public voice for peace. Let us not remain silent in the face of death and destruction, but speak up and act for peace between nations and justice within our own communities, for the two are inseparably linked. Though the drums of war beat, we march to a different drummer, Jesus Christ.

### **Benediction**
